

A horizontal bar chart consisting of 30 black bars of varying lengths. The bars are arranged in a single column, with lengths ranging from approximately 10% to 95% of the total width. The distribution of lengths is as follows:

Bar Index (from top)	Approximate Length (%)
1	85
2	92
3	58
4	60
5	98
6	48
7	55
8	65
9	85
10	75
11	58
12	98
13	60
14	52
15	78
16	95
17	88
18	75
19	63
20	75
21	48
22	52
23	95
24	92
25	68
26	98
27	55
28	62
29	75
30	95
31	78
32	98
33	52
34	65

A horizontal bar chart consisting of 30 black bars of varying lengths. The bars are arranged vertically, and their lengths represent a distribution of data. The longest bar is the 15th bar from the top, and the shortest is the 10th bar. The bars are set against a light gray background with a white grid.

A horizontal bar chart consisting of 30 black bars of varying lengths. The bars are arranged in a single column, with the longest bars at the top and bottom, and shorter bars in the middle. The lengths of the bars vary significantly, with some being nearly the full width of the image and others being much shorter. The bars are evenly spaced vertically.
