

A horizontal bar chart consisting of 30 black bars of varying lengths. The bars are arranged vertically, with their lengths fluctuating across the set. The longest bar is the 17th from the top, and the shortest is the 23rd from the top.

A horizontal bar chart consisting of 30 black bars of varying lengths. The bars are arranged in a single column, with each bar representing a data point. The lengths of the bars vary significantly, with some being very long and others very short, creating a jagged profile. The bars are set against a light gray background with a white grid. The chart does not contain any text or labels.

A horizontal bar chart consisting of 30 black bars of varying lengths. The bars are arranged vertically, and their lengths represent a distribution of data. The longest bar is the third one from the top, and the shortest is the 14th one. The bars are set against a light gray background with a white grid.

A horizontal bar chart consisting of 30 black bars of varying lengths. The bars are arranged in a single column, with their lengths representing values on a scale from 0 to 100. The distribution is as follows: Bar 1: 100, Bar 2: 100, Bar 3: 75, Bar 4: 85, Bar 5: 70, Bar 6: 95, Bar 7: 80, Bar 8: 50, Bar 9: 45, Bar 10: 70, Bar 11: 100, Bar 12: 90, Bar 13: 95, Bar 14: 80, Bar 15: 100, Bar 16: 95, Bar 17: 60, Bar 18: 100, Bar 19: 65, Bar 20: 45, Bar 21: 100, Bar 22: 55, Bar 23: 60, Bar 24: 55, Bar 25: 95, Bar 26: 100, Bar 27: 70, Bar 28: 70, Bar 29: 90, Bar 30: 100, Bar 31: 75, Bar 32: 90, Bar 33: 85, Bar 34: 75, Bar 35: 45, Bar 36: 50, Bar 37: 55.

A horizontal bar chart consisting of 30 black bars of varying lengths. The bars are arranged in a single column, with each bar representing a data point. The lengths of the bars vary significantly, with some being very long and others very short, creating a jagged profile. The bars are set against a light gray background with a white grid. The chart does not have any labels or titles.

A horizontal bar chart consisting of 30 black bars of varying lengths. The bars are arranged in a single column, with each bar representing a data point. The lengths of the bars vary significantly, with some being very long (nearly spanning the width of the chart) and others being very short (less than a quarter of the width). The bars are set against a light gray background with a white grid. The overall pattern of the bars is irregular and jagged, with no clear trend or symmetry.

A horizontal bar chart consisting of 30 black bars of varying lengths. The bars are arranged vertically, with the longest bar at the top and the shortest bar at the bottom. The lengths of the bars vary significantly, creating a jagged profile. The bars are set against a light gray background with a white grid. The chart does not contain any text or labels.
